HOTEL INFORMATION

All you need to know

Safety Instructions in case of fire

In case of fire, please inform the reception immediately, stay calm and do not panic. Close your bedroom and balcony door. In case you receive instructions to evacuate, leave the building immediately using the nearest fire exit. Do not stop to collect your personal belongings. A fire escape plan is located at the inside of the door of your room and at the corridors. Go to the meeting point outside the main entrance and do not enter the building again until we inform you that it is safe. In case of handicapped people, inform reception. If you cannot exit the room, put wet towels under the door, open the window and stay close to the open window until help comes. We have taken all the safety measures in case of fire and prior to that our staff is trained to assist you in case of emergency.

Smoking

Smoking is only permitted in the outdoor areas of the hotel. We hope you will respect the fact that many individuals today have severe allergies. Thank you for your cooperation.

TRAVELER SAFETY TIPS

for peace of mind

Do not answer the door in a hotel room without verifying who it is.

If a person claims to be an employee, call the Front Desk and ask if someone from their staff is supposed to have access to your room and for what purpose.

When returning to your hotel late in the evening, use the main entrance of the hotel.

Do not needlessly display guest room keys in public or carelessly leave them on restaurant tables, at the swimming pool, or other places where they can be easily stolen.

Do not invite strangers to your room.

Place all valuables in your room safe deposit box.

Do not leave valuables in your vehicle.

Kind Request

We warmly welcome you to our hotel and kindly ask for your cooperation in maintaining our commitment to sustainability and environmental conservation during your stay:

Your meals and beverages are provided with care, and we kindly request your help in minimizing waste and conserving water.

Please join us in reducing energy consumption by turning off unnecessary lights and ensuring the electricity metal key holder remains with your room key.

When refreshing your towels, we invite you to consider either placing them on the rail for reuse or in the bathtub for collection.

In line with our efforts to conserve resources, we regret to inform you that bath plugs are not provided.

Important Note Regarding Towels:

In the spirit of preserving our linens, we kindly request that you refrain from using the white towels provided in your room with coloring sunbathing oils, such as caroten or similar products, as they may cause damage.

Thank you sincerely for your understanding and cooperation in creating a more sustainable and eco-friendly environment for all our guests.

Your comments are very valuable to us.

Please take a few minutes to write a comment for your experience and to give us your feedback.
